

## **REQUIREMENTS FOR THE ACCREDITATION OF SECURITY TRAINING SERVICE PROVIDER**

1. Any person, board, institution or other body wishing to obtain accreditation by Psira as a training provider for the training of security officers, must complete and submit application form to Psira.
2. The applicant must provide the following particulars:
  - a. Of every director, member, partner or other owner of the proposed establishment, including information and proof of every such person's registration as security officer.
  - b. State the levels of training which is to be offered at the establishment, what the maximum number of trainees may at any time be accommodated thereat and an estimation of the number of trainees the establishment intends to accept annually during the first two years of the establishment's accreditation
  - c. Furnish full information and particulars regarding any person whom the establishment at the date of the application intends to employ or utilize as a training instructor.

### **Registration as a Security Service Provider**

Your business and every director, member, partner, owner or trustee must be registered as a security service provider in terms of the Act.

### **Training Material (The lesson plan for the grades E to A)**

Security Educational Systems are currently providing lesson plans to training providers at a cost.

If you require any information please contact us at Security Educational Systems.

### **Accreditation Fee**

A non-refundable accreditation fee is payable to the Psira in advance in respect of the application and evaluation of your security training provider. Please note that this will depend on the security service provider registration status.

**Please contact Security Educational Systems for assistance with the Business Application**
